

State of Alaska Plant Pathology Laboratory

Department of Natural Resources

Division of Agriculture • Plant Materials Center

Plant Disease Submission Form *(Updated July 1, 2016)*

Please contact the lab at 907-745-8138 prior to sending samples to determine if we test for a desired pathogen. This also allows us to prepare for the sample and expect its arrival. Please send samples Mon.-Wed. by overnight carrier. Good quality samples and complete information are key in diagnosis and making management recommendations.

If you suspect multiple diseases, please submit each sample with a separate form.

Mail samples to :
